

Capacity Building Strategy Game Instructions

Purpose

Activity

Impact

Instructions

Imagine...

You are staff at a foundation launching a new program to strengthen organizational capacity

You have 15 grantee partners with whom you plan to work

All 15 partners are at similar stages of their organizational lifecycle and you would describe them as “medium - strong”

Instructions

1

Come to consensus on **three** Purpose cards for your new program

2

Come to consensus on **three** \$ Activity cards, **two** \$\$ Activity cards and **one** \$\$\$ Activity card

3

Come to consensus on **three to five** Impact Measure cards

Discussion Questions

1. How aligned are your current purpose, activities and impacts?

2. What changes would you like to make to your current program?

3. What would you like to stay the same?

4. How might you engage other stakeholders in this conversation?
